THE FINEST, FRESH WELSH MUSSELS.
SUSTAINABLE, LOCAL, HEALTHY.
CREGYN GLEISION FFRES O GYMRU.
CYNALIADWY LLEOL, IACH.

Mussels are a staple on our menu, but you already know this! We make it our mission to source as locally as possible, every time we buy them. We work with Shaun, at Menai Oysters & Mussels on the Afon Menai, & Carmarthen Mussels, from Bae Caerfyrddin. Between them they supply all our restaurants along the coast of North Wales all year round. These magical blue-shelled gems grow naturally on the seabed, rather than being rope-grown, so they sometimes contain pearls, or a tiny amount of sand. Bear with them & with us - we are really proud of these delicious & sustainable little things - & we make it one of our central missions to provide you with the freshest & best mussels every day.

Warning. Mussels may contain traces of sand & natural pearls.
