

ABOUT US

Founded in 2012. Doesn't seem that long ago. It isn't really but plenty has happened. Across the world but also in our own home. North Wales has grown to be a real live worldwide tourist destination & so it should be.

We have made our mission statement our constant mantra...

"Celebrating the local produce, character & natural beauty of North Wales."

After the success of our "Pop-Up" store in the Menai Bridge restaurant, we found our permanent home situated around the corner at No. 8 High Street in Menai Bridge | Porthaethwy. Moving to the high street was a wonderful milestone for us & an even better way for us to continue to support our team, local producers & suppliers.

In the Summer of 2022 we were thrilled to be opening our second Baked Goods & General Store on Conwy High Street. We're delighted to be the new custodians of this wonderful building as we join another vibrant & busy high street community.

We're thrilled to be amongst so many other wonderful businesses on both high streets & so grateful to you all for your huge support & encouragement since we started selling our fresh breads & sauces outdoors in May 2020.
