House Speciality

Prydau Arbennig

THE FINEST, FRESH MENAI MUSSELS. SUSTAINABLE, LOCAL, HEALTHY.

CREGYN GLEISION FFRES O'R FENAI. CYNALIADWY LLEOL, IACH.

Menai Mussels brighter in colour, smaller & sweeter in flavour than their rope grown Celtic siblings. They grow on the seabed of the Menai Strait & at times still contain a tiny amount of sand even after spending 32 hours in depuration tanks. Bear with them & with us, we are really proud of these delicious & sustainable little things, & make it one of our central missions to provide you with the freshest mussels every day that we are open.

Charity Pizza Pizza Clusennol

50p from the purchase of every pizza will be donated to the Llanberis Mountain Rescue Team.

The Llanberis Mountain Rescue Team was first formed 51 years ago. The area they cover (including Snowdon, Llanberis slate quarries, the south side of the Glyderau, & the Menai Strait to Dinas Dinlle) is one of the smallest geographically, however, in 2019 they received 226 call-outs, more than any other Mountain Rescue team in the UK. Of the 45 operational members, all are volunteers, living or working 15 minutes from the team's base in Nant Peris. As a charity organisation, LLMRT are reliant on funds raised through their own team's efforts in order to meet their annual running costs.

Dylan's & LLMRT would like to thank you for your support.
